

High-Pressure Washers Mobile Applications Bulletin

“The CART” Portable System

Our excellent “The CART” mobile pressure washer system is double-mobile and fully-equipped for the toughest tasks. It has big pneumatic tires for rolling it around on any terrain.

Easy to bring it to the cleaning job, and super-easy to move it around on-site.

“The CART” has these unique standard and added features:

- Large-diameter pneumatic tires for great mobility, even on gravel
- Pneumatic caster wheel
- Hose Reel can be “pulled” or rewound from any direction
- Can work from pressurized water, or from a tank
- 4-cylinder, low-rpm pump for durability

Call us now and we’ll be happy to show you one!
